President's Message for September

I feel I am over the hump for the year and looking forward to retirement. I have learned so much along the way but am so looking forward to a new Board coming along.

I was glad to meet a visitor that says she is a fiber artist and I hope she joins. So many new members and visitors showed up at our Eclipse Party. We had fun hanging together outside and trying pinhole papers, a colander, cereal boxes and thanks to those who got out and got the real glasses we were able to see it better. Each meeting is special and it is fun to catch up and visit with one another.

Our Board Meeting went smoothly and so did our General Meeting. I hope to see some old faces, people from other areas and more new faces. Thank you for all your support. Have a blessed Day.

The Good News is - You're The Pilot"

President Susan Sketers

Table Rock Art Guild Meeting Minutes – August 21, 2017

1 Meeting was opened at 12:00 pm by President Susan Sketers.

She began the meeting with announcements of shows we can enter in Hollister. She had printed out the information. She stressed doing the Fall Show.

She applauded Pat Hovis-French and Jan Rosenberg for taking the whole time at Silver Dollar City as no one stepped up.

She thanked Cindy Herren for the getting us the refreshments and Jan O'Neill (absent) for the wonderful table decorations.

She invited Helen Long to come up and tell us about our Scholarship recipient Holly Thompson and the letter she wrote about her 5 year plan with her business. We sent her \$500 to help get her supplies. Her letter was most gracious.

Helen then told us and awarded the winners of the Pandora's Box contest.

She then talked about the 3 nominees for next years Board. Still needed are Secretary and 2nd Vice President.

Susan took over the meeting and announced that Al Fournier is in the hospital with a brain bleed. She also asked about other husbands. Dave Medley was there with Val.

She asked Jan Rosenberg (filling in for Membership Chair Sandy Fearn) how many were in attendance. Jan announced that only 22 had signed in but more were there. We had 2 new members and 4 visitors.

Jan then came up and talked about the Fall Show and needing more people to help. She explained about the envelopes they were handing out for tickets for a drawing for the artist that have their art in the drawing. Susan had her explain more about the Fall Show for the new members.

She talked about the Gallery and the Meet and Greets. Next is Linda Edge-Dunlap on September 1.

Someone mentioned they had seen an article in the local paper that Barbara Hirsh had had on her blog about Kindness.

Next was split the pot which Kate Rickard won.

Next was Artist of the Month with the theme Fiber. Helen Long won first, 3 way tie for second was Barb Blain, Pat Bell and Jan Rosenberg, 3rd place went to Susan Sketers.

Pat Hovis-French announced that the next meeting will have Susan from Bonnie Brooke and the Field Trip there would be September 27th. The cost would be \$5.

Susan thanked Jack O'Keefe for reaching out and putting an advertisement in the Elks Golf Tournament.

Karen Deeds explained the next month's Artist of the Month "Tree Dwellers" and that could be anything from insects to birds to animals.

Jan told us that the next workshop will be Nov. 15, 16 and 17 and it will be held at the library and given by Pat Hovis-French. It is about drawing with no straight lines and no rulers.

Susan didn't get anyone that would do the minutes as Karen Pugh had resigned so she did them herself but may not be in the right order.

Respectfully submitted,
Susan Sketers

Gallery's Happenings

We have had a nice month of sales this month. Remember to do your gift shopping the gallery. We have some new art in the gallery. If you have not been in lately please come in and check us out.

We have a few panels available at the Gallery. If you are interested in showing in the gallery please let Mike or me know. Now is a good time to show. We have lots of people coming into the gallery.

It is fun to set the gallery, when you are not busy you can work on your art. You get to meet lots of people. You get to talk about art. (It is also nice to be able to say you show in a gallery)

The basics are \$10.00 donation a month, set the gallery one day a month, and give the gallery 20% of your sales.

Training takes about an hour. It is not hard.

SHARING THE BEAM OF LIGHT & WARMTH

Each day has its own venue. God's creation is so varied and versatile, whether it be nature or people. Changes can happen rapidly and unexpectedly. Hot to cool, calm to stormy, wet to dry, sick to well, sad to happy. You get the point, I'm sure.

Choosing to take advantage of each moment of the day is beneficial to yourself and others. So, take charge of "your daily venue" being creative in your unique way. Don't put off the opportunity to share and encourage others through your care, love, concern, and artistic versatility

Share your "beam"!!!

Scholarship Thank You

Dear Mrs. Long,

First things first, Thank You to all the people who put together the Table Rock Art Guild Scholarship. This scholarship is a huge thing for Art and its history. I don't think I can stress how much this scholarship has helped me. I really sat down one day and came up with a 5 year plan. Without the push of the scholarship I wouldn't have sat down and figured out what I wanted my career would be. In the first year of my five year plan is to gather all the equipment needed to open my own graphics arts store. The next two years I plan on branding myself. This includes "LLCing" my business name. The last two years will be when I open the location. Year one so far is starting off with a successful run. ...

I am so excited and lucky to have this push to start my five year plan. I think this scholarship will help me in the future to help other aspiring young artists much like now the Table Rock Art Guild has done for me. Thank You, I cannot wait to hear back from from you!

Sincerely,
 Holly Thompson

Getting to Know Your Editor

Hi! My name is Barbara Hirsh and I am your newsletter editor since January 2017.

I have been married for 43 years to Joel, who was a retired Human Resource Director. We built our home in 2015 and moved permanently to Kimberling City in April of 2016. We go back to the Chicago area often to visit my 93 year old mom, my daughter, Becky, (a nurse at the University of Chicago Hospital), my son-in-law, Justin, (a school social worker), and two granddaughters.

I also have a daughter-in-law, Lauren, and two grandchildren that live in Naples, New York. Lauren owns a framing business. Unfortunately my son died from cancer at the age of 33, leaving his young children. He was a wonderful artist and potter. He was the one that sparked my interest in ceramics.

I am fortunate to have two studios in my home for my passions: pottery and sewing. My third passion is floral design. I did work as a florist and designed my own wedding flowers.

I retired in 2014 from Motorola where I worked 23 years as a Software Engineer. Prior to Motorola I worked for Rockwell International. My undergraduate degree is in Sociology and my master's degree is in Computer Science, not a common combination.

Part of my responsibilities at Motorola included improving the Software Development process. I started thinking the practices used in the improving the quality of software, why can't they be used to optimize your life? I wrote a small book, "Live Kinder." I started publishing my blog www.LiveKinder.com this year because I wanted to concentrate on the positive.

I designed a ceramic heart that I give to people that live with everyday kindness. I call the award, "The Caring Heart Award." Currently, I am accepting nominations, so if you know of someone that has a caring heart, please let me know. They don't have to be famous, just people

that live with kindness every day. I get great satisfaction in honoring kind people.

I am enjoying publishing the TRAG newsletter. Thank you all for welcoming me to the Guild and a special thank you to Carolyn for all her help in the transition stage. I love the opportunities TRAG offers as I hope to expand my Pottery in the coming year.
