TO THE NEIGHBORS AND FRIENDS HOME TOUR

First get your \$15 tickets ahead from the library and we will meet Dec 1 at the Gallery to carpool at 9:30. This group has helped the Children's Show in the past and helps the non-profits in our area. The homes on display decorate for Christmas and so fun to see what they come up with.

Then we will go to the library for lunch and if so inclined Christmas shopping at their Boutique.

See you then. You can email me if you plan to attend.

See next page (top right) for Susan Sketers contact more information.

Programs

November Program

Wood crafters from Silver Dollar City coming to tell how they carve and what kind of wood and tools they use. Please welcome them and stay for the whole program.

December Program

Each person will make a personalized original ornament and wrap it up to do an exchange. The person receiving the ornament will show it off and you will tell something about it. This is the most fun Christmas Party with food and goodwill
