Maida Fanin Programs

Maida Fanin was a longtime member of the Table Rock Art Guild and loved the Guild and the opportunities for sharing art with others. When she passed away, she left a significant bequest to the Guild so they could continue to support her ideals.

So far, the Guild, using the proceeds from her bequest, has created two programs in her name:

- The **\$500 Maida Fanin Art Scholarship** given annually to a graduating senior from a high school in Stone County to support their continued quest for art education.
- The **Maida Fanin TRAG Art Grant** program.

See application and rules on page 2 and 3.

Think, think, think, think . . .

Do you remember that moment in the Winnie-the-Pooh video when Pooh crosses his arms and taps his cheek saying, “think, think, think, think. . .” when he was faced with a decision about what to do? That’s how I’ve been feeling about trying to come up with an idea for my Pandora’s Box creation AND what to share with you in my President’s Notes!

If you haven’t figured what your Pandora’s Box content is inspiring – or if you have yet to purchase your Pandora’s Box – you need to follow Pooh’s lead and begin to think, think, think, think! I guess I will, too, and we will all see the results at our July meeting! Exciting, right?

Happy creative thinking,
Pat

Field Trips

The vote is in for our two remaining field trips for this year. Members voted to go to Dogwood Canyon Friday Oct. 19th; and, to Dunnegan Museum of Art in Bolivar on Friday November 30th. Dogwood should be lovely at that time of year appealing to almost everyone no matter what their art interest is.

As I was reminded by Pat Van Hoosser, our own Jon Thompson has 2 carvings in Dunnegan's permanent collection.

I will nail down the details for both trips and get back to you as we get closer to those dates. First, we have a show to put on. Hope you are all at least considering participating in that.

Thanks for the help in deciding what to do about the field trips.

TABLE ROCK ART GUILD: BRINGING ART TO THE OZARKS FOR 38 YEARS!

Do you someone that might be interested in our guild? Why not bring them to the Library on August 8, 2018

Pablo Picasso once said, "The purpose of art is washing the dust of daily life off our souls." Come to the August 8 "Learning on Wednesday" program and find out about the many ways the Table Rock Art Guild can help you do just that – whether you are "making art" or "enjoying, and experiencing art."
