## From the Desk of the President

Thank you all for the birthday card and flowers. It was nice to celebrate my birthday with the guild's 36th birthday at our last meeting.

We had a full house with 50 members and guests. We've bought our Pandora's boxes and hopefully are hard at work on our projects.

If you missed our open house for Adam Hale, our senior Art Scholarship winner, you missed meeting a very nice young man.

Now we're heading into the busy time of the year. Put some time aside to do some art work.

Until next time -  
Your president,  
Helen Long

**Don't forget, our June TRAG meeting is always a POTLUCK!!!**

Start planning now for what delicious dish you want to share, creatively of course, with your artist friends!

*Pat Hovis-French*

Bring your completed **Pandora's Box Project's** to the July meeting where they will be displayed and voted on by the members. 'Boxes' will then go on display at the Gallery for a month giving the public the opportunity to cast their votes.

## June's Meet & Greet

Guests attending from left to right:  
Ken Campbell, Patsy Hyman and Sally Richardson

"The June Meet and Greet at the Gallery was hosted by Ginny Campbell's watercolor class. The reception on Friday June 3rd was well attended by friends, family and well-wishers, even some members of the curious public. Each artist exhibited three of their works from this last year which made an impressive show of versatile subjects and styles. Paintings will be on display throughout the month of June. If you missed the reception come in and enjoy the art. Sorry you missed the yummy wine and hors d'oeuvres."

## Adam Hale Plus Award

At the last Art Guild meeting, I was talking with my table mate who mentioned the talents of Adam Hale, our Scholarship Award Recipient. She said that it would be such a nice gesture if some of us could assist him with some art supplies even possibly by going through our own good storage shelves.

Rather than let a good idea go to waste, I am proposing that we look at what we have, and see what might be of use to Adam as he heads off to college late this summer.

I would be willing to collect and make arrangements to get the items to him in a timely fashion.

So far we have paper, charcoals, some cash and even a contribution of an air brush and compressor

by our "Air Brush Member" and her connections from her prior employment.

Please let me know and we can make arrangements for a suitable pickup.

You must sign up by June meeting so supplies can be ordered.

## **COLOR EXPLOSION COMING IN OCTOBER !!**

The Fall Show Committee is moving forward with our plans for the show. Above is the final artwork that will be used. The image will be used for 12 X 18 photographic prints on metallic paper. The prints will then be matted and framed.

We are also going to have 5 x 7 postcards printed; they will be handed out at the Chamber of Commerce luncheon in August, where our Marketing Department will be making the slide show presentation. In addition to promoting the show and giving directions to our gallery, the flip side of the postcard will also invite the C of C members to become patrons. We are planning on putting the framed prints on display in each of the banks where our members show

currently exhibit their art each month - and, of course, in the front window of Troy's Custom Framing Shop in Branson West. A small stack of postcards will be placed next to the prints as well. - with a little note that says "Free - Please Take One". (It's amazing how that word FREE grabs attention!) If anyone has a terrific idea about another place where we can place the postcards, please let us know! We will have samples of each of these things at the June meeting - and you'll each receive a stack of flyers at the July meeting.

**Top 10 2015 Fall Show sellers:**

A quick reminder to those who were the top ten sellers at last year's show, that their donated artwork for the drawing is due in August. And finally, included in this newsletter is the registration form for the show. Please take the time to complete it and submit it now so things will go smoothly for all of us!!

## Calling Tree

Gail Davis, Chairmen

Our Calling Tree volunteers are  
still getting a very low response  
from their calling lists (by phone  
or email).

A count of the members  
attending the meeting is  
necessary. The room needs to be  
set up to accommodate the  
number of members attending  
the meeting, especially this  
month with a Potluck scheduled.

This is frustrating for my callers  
and I hope it will be better next  
month.
